PLEASE LIST INDIVIDUAL AREAS OF APPLICATION:

AREA

Inside cargo barge – sewage left awful smell
Sprayed down tank's interior, let it sit awhile
Scrubbed and rinsed

RESULTS

Eliminated all traces of sewage smell
Used only 1 gallon
Customer was extremely happy, and
Requested exclusive use of the degreaser

Use back of sheet for additional space, if needed.

Comments: The bad smell was totally gone and we only used one gallon. Talk about cost-effective! My workers were happy, and our customer was very happy. When they inspected the barge, they couldn't believe there was no trace of bad odor anywhere. They were so impressed they requested Super Orange Degreaser on all future barges of this type. Thanks again, Sergio, Barge Supervisor.
